Client Satisfaction	10	9.5
Review	10	10
Retrospective	10	10
Total	100	98.5

## Comments:

Great job!

I know you did some good testing during this sprint, but please describe it to make it easier for the grader to find.

Please proofread your sprint review carefully. I think you meant to write, "Create **an** executable." Also, you're trying to get *fewer* superfluous data points, not *less* superfluous data points.
